Anti-Bullying Poster Contest

November 19 - 25 is the 15th annual "Bullying Awareness Week". This year's theme is "BULLYING STOPS HERE". STC is supporting this

initiative by running our 6th annual 'Anti-Bullying Poster Contest'. We invite your school to participate.

The posters are to be created on 8 1/2 by 11 inch paper with the students sharing their own ideas for anti-bullying awareness. Each participating student who has their poster selected for the calendar will receive 2 copies of the calendar to keep. (Please be sure to include students full name, grade and school on the back of the posters).

STC will pick up all the posters by the end of December or early January. *Be sure to call the number below to let us know you are participating and we will arrange to have someone come to your school.*

Every effort is made to include at least one student's poster from each participating school. Last year 20 schools and more than 500 students participated.
