### Mental Health Moment

PVNCCDSB is pleased to introduce our 2017-2020 Mind•Body•Spirit: Be Well Strategy for Mental Health and Well-Being. **Mind** represents the importance of positive mental health and includes concepts such as: hope, optimism, gratitude, resilience, a positive thinking style, social-emotional skills and self-regulation. **Body** focuses on core factors impacting well-being including sleep, nutrition, hydration and physical activity. **Spirit** speaks to the foundational role that faith, the Gospel and Catholic Social Teachings have in our well-being as individuals, as a community and as a society.
